

COMPANY QUALITY POLICY

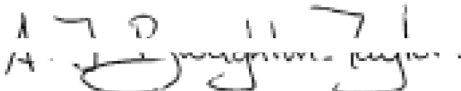

It is the policy of Drewmark Building Services Ltd to provide a service which consistently meets or exceeds our client's expectations. Our commitment to the achievement of these aims is demonstrated in our Quality Management System, which summaries how the company operates and maintains its quality systems.

The Directors shall ensure that all personnel at every level of the organisation understand their part in the successful achievement of client satisfaction. The Quality Management System describes and provides the necessary procedures and processes to be used as a vehicle to achieving our aims.

Management will monitor and measure the individual functions that make up the company's operation to ensure that this is being achieved, there by seeking continued improvement

The company will maintain a Quality Management System to meet the requirements of ISO 9001: 2008.

The company's Quality Management System is authorised by the Managing Director and adherence to it is MANDATORY.

Signed:  Managing Director
